

Project-Based Rental Assistance Units by State and Program Type

**NATIONAL
HOUSING
TRUST**

This report summarizes the number of project-based rental assistance units by state and program type. Please note, the report does not include all subsidized housing units, but only properties with project-based rental subsidy contracts through HUD's multifamily programs. The report also includes the number of assisted units expiring before the year 2012.

STATE: Alabama

About the National Housing Trust

The National Housing Trust preserves and revitalizes affordable apartments to better the quality of life for the families and elderly who live there. We believe preserving and safeguarding existing affordable homes is the essential first step in solving our nation's housing dilemma. We are the only national nonprofit engaged in housing preservation through real estate development, lending, and public policy initiatives. Visit www.nhtinc.org for more information.
